Mirror Picture

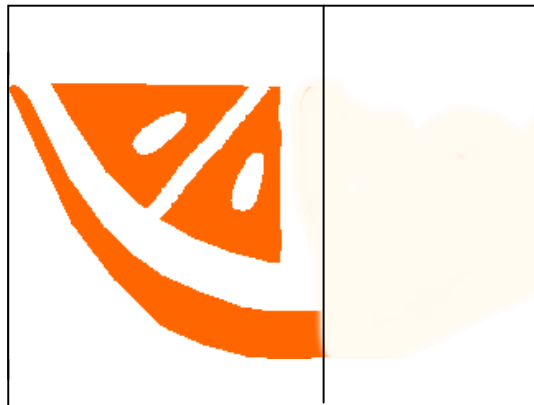

You will need a piece of white paper and some paint.

1. Fold the piece of paper in half like this:

Then open it up again.

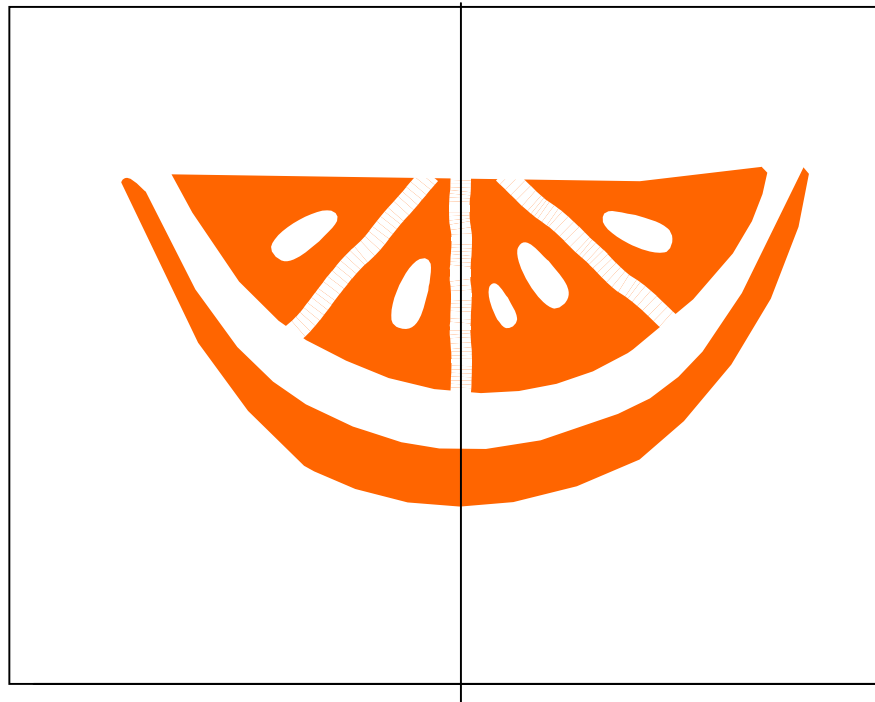

2. On one half of the paper paint a picture of half a hart or a fruit or any other object you like e.g.:

3. Fold the painted half on top of the other half like this.

4. Take your hand and slowly rub over the painted section that is folded.
4. Now open the paper and you should have a picture that looks like this:

Necklace

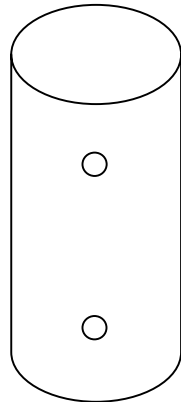

You will need some string, some macaroni cuts and some paint.

1. It depends on how long you would like to make your necklace, which will determine how many macaroni cuts you will need.
2. Paint the entire macaroni cuts different colour.
3. Leave the macaroni cuts to dry.
4. Now make a knot in the one end of the string.
5. Now take you string and put the macaroni cut onto the string.
6. Make a knot on the other side of the string.
7. Put the string around your neck and tie it behind in a bow, there is your necklace.

Humpty Dumpty

You would need a empty toilet roll, paint, two pipe cleaners of any colour.

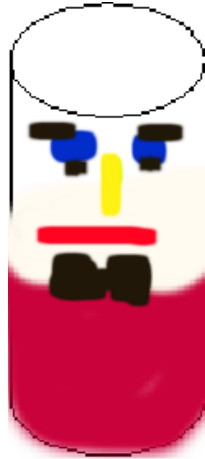

1. Make 4 holes in the toilet roll two a quarter from the top and the other two a quarter from the bottom, the holes must be big enough for the pipe cleaner to fit through it. Like this:

2. Now paint the bottom half of the toilet roll any colour you like: e.g

3. Draw a face on the top half of the toilet roll
e.g:

4. Now put the pipe cleaners through the holes.
5. There you have a humpty dumpty.

Birthday Card

We need colour pencils, a scissors, some glue and a piece of A4 cardboard.

You can either use coloured cardboard or white cardboard.

1. Take the card and fold it in half
2. Cut out the picture of the birthday cake.

3. Put some glue on the back of the picture and then stick it on the outside of your folded cardboard.

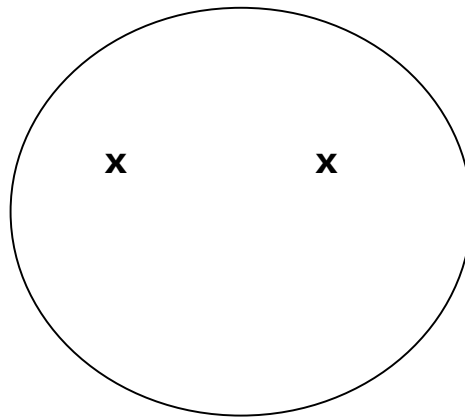

4. Use your coloured pencils to draw a boarder around the picture.

5. Draw a picture or write a nice message for mom and dad inside the card.

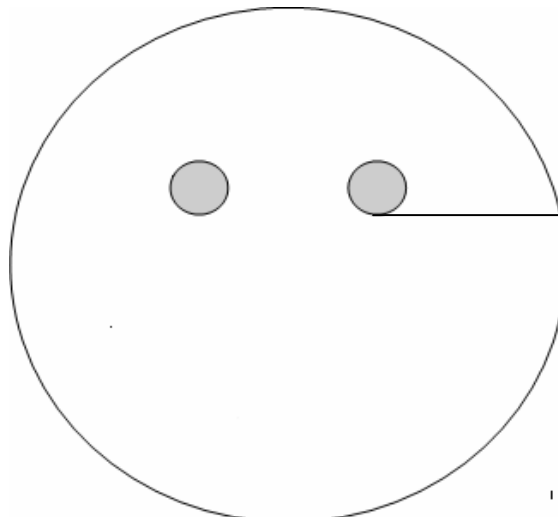

Mask

You need a paper plate, colouring-in pencils, string, glue, 4 pipe cleaners and some cardboard.

- 1) put the paper plate on your face, let mommy make a x where your eyes are, just like the picture below:

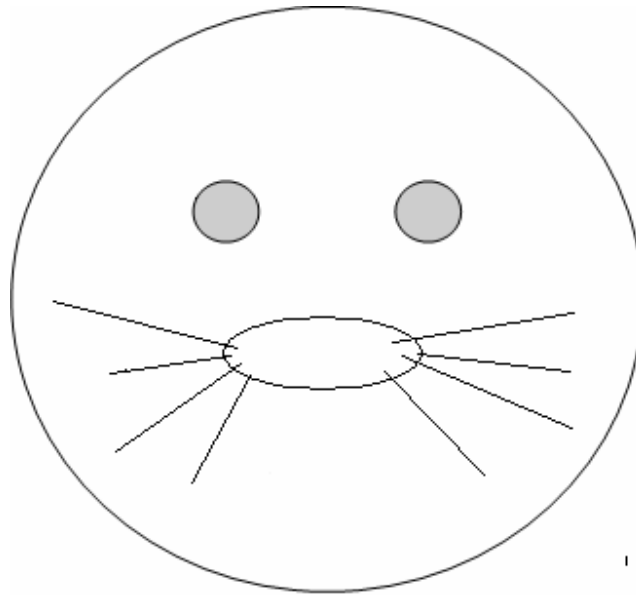

2. Now draw your eyes on the plate and then cut them out so that you can see through the holes:

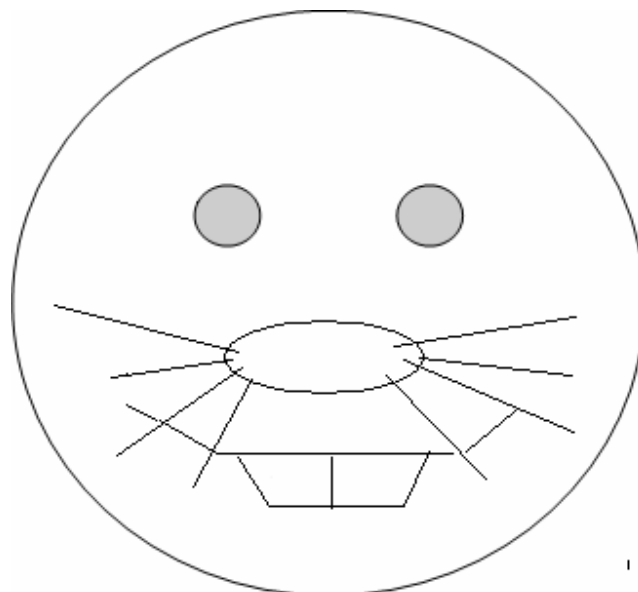

Cut out

- 2) Now draw a nose on your cardboard and then cut the 4 pipe cleaners in half. Next glue the pipe cleaners onto your plate like this:

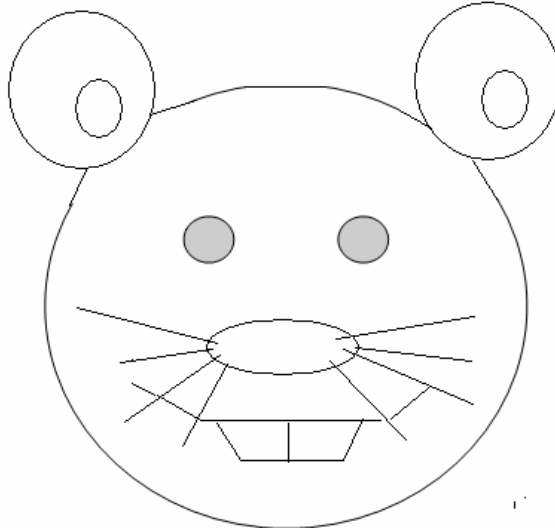

- 3) The next step is to draw a mouth for your mouse just like this:

- 4) Now for the ears, draw two ears on your cardboard like this:

Cut them out and glue them to the plate like this:

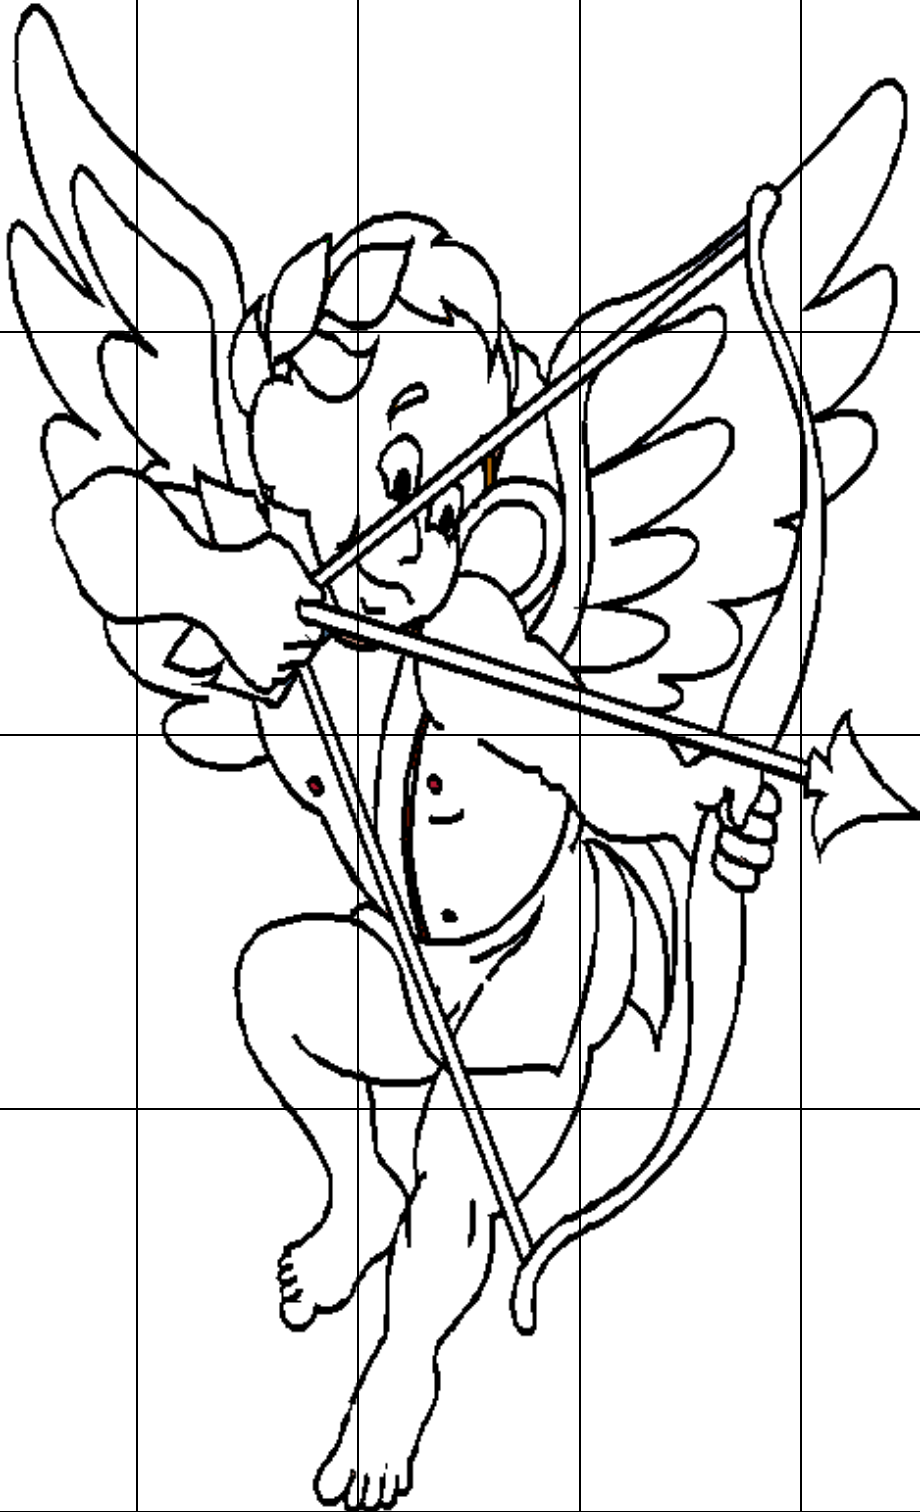

- 5) Make two holes on each side of the mask and tie a piece of string on each side. Put the mask over your head and fasten the string behind your head and there you have your mask.
- 6) You can now use paint or colouring-in pencils to colour in your mask.

Puzzle

You will need scissors, card board and glue.

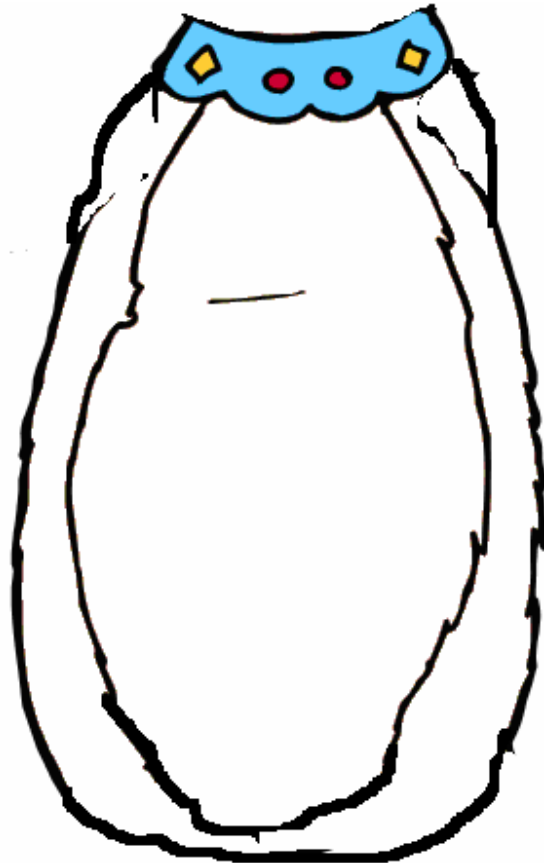

1. Cut out the pieces on the lines.
2. Stick the pieces on the card board and allow the glue to dry.
3. Colour in your puzzle pieces.
4. Cut out the pieces on the cardboard, now you are ready to build your puzzle.
5. You can create your own puzzles by drawing lines over a picture that you like, then cut out the pieces and place them on a card to make it stronger.

Dancing Bear

You will need a scissors and some paperclips

- 1) Cut out all the pieces on the following page**
- 2) Make five holes in the body of the bear where you will attach the arms, legs and head of the bear.**
- 3) Make a hole in each of the arms, legs and head.**
- 4) Put a paperclip through each hole and bend it flat.**
- 5) Your bear will now be able to move.**

Tree

You will need leaves, sticks, paint, paper and glue.

1. Place the sticks on the piece of paper in the form of a tree.
2. You can also paint the tree if you like. e.g.

3. Now take the leaves and stick them on the tree, like this:
